

FT. WRIGHT ELEMENTARY SCHOOL COUNSELING PROGRAM MISSION STATEMENT

Mission

The Ft. Wright Elementary counseling program will provide a safe, positive environment for students to build a foundation of lifelong learning skills, good citizenship, respect for self and others, and enthusiasm for achieving their highest potential. All students will have access to a data-driven comprehensive school counseling program through which they will build skills to assist them in overcoming barriers and increasing resilience and perseverance. As a result, all students will be able to identify personal strengths that can be applied to achieve their academic, career, and personal/social goals and become successful lifelong learners.

Kentucky Board of Education Mission Statement

The Kentucky Department of Education's mission is to prepare all Kentucky students for next-generation learning, work, and citizenship by engaging schools, districts, families, and communities through excellent leadership, service, and support.

Kenton County

We believe

- Each student is important.
- Every student can be a successful learner.
- Effort creates ability.
- Self-esteem and personal dignity come from within an individual.
- Each student has a right to a quality education with rigorous learning opportunities.
- Each student has a responsibility to respect others' rights to a quality education.
- Recognition and acceptance of cultural, social, physical, and economic differences create a healthy learning community.
- Learning is a lifelong process.
- Students, educators, staff, families, businesses, and the community share in the responsibility for creating an environment in which students can learn and succeed at high levels.
- Proficiency for all students is within our reach. We believe in excellence for all students.

Ft. Wright

The mission of Ft. Wright Elementary School, a learning community dedicated to excellence, is to prepare all children to be successful lifelong learners and enable them to demonstrate high levels of performance while achieving mastery of Kentucky's Academic Expectations.
