

FT. WRIGHT ELEMENTARY SCHOOL COUNSELING PROGRAM VISION STATEMENT

Students will leave Ft. Wright Elementary School with meaningful connections to people, both at school and in the community, that they use to overcome barriers to success. Students will have the skills, resilience, and grit necessary to achieve success beyond elementary school. Students will be inspired to explore post-secondary opportunities, dream of possible educational and career options, and set steps to achieve their goals. Due to the educational environment at Ft. Wright Elementary, students will break through ecological barriers to overcome initial achievement gaps, build on their own strengths, and become life-long learners and positive contributors to society.
