A1 Table with row headers in column A and column headers in rows 4 and 5. Leading dots indicate sub-parts.

2 Table 337. Fraud and Identity Theft--Consumer Complaints by State: 2010
 [Rate per 100,000 population. As of December 31. Based on 2010 U.S. Census results. The Consumer Sentinel Network (CSN) is a secure online database of consumer complaints available only to law enforcement. Based on unverified complaints reported by consumers. Excludes complaints outside of the United States and excludes North Carolina Department of Justice, Idaho and Mississippi Attorneys General, and the Minnesota Department of Public Safety]

State	Fraud and other complaints \1		Identity theft victims \1	
	Number	Rate	Number	Rate
United States	1,085,411	352.5	250,554	81.2
