

SPEAKER 1: So I'm sitting here today with Abby, and Abby is seven years old. And we're going to talk about some things. And Abby, let me tell you, the things I'm going to ask you, there's no right answer or wrong answer. We're just interested in what you have to say, so I hope that some of this will be fun.

Do you know what this is?

ABBY: A dog.

SPEAKER 1: Exactly right. And this is a?

ABBY: Kitten.

SPEAKER 1: OK. Now, would you take those two pictures and put them together in a way that shows me that the dog is chasing the cat?

ABBY: Kind of like that.

SPEAKER 1: OK. So we have the dog is chasing the cat. OK.

Here's a different sentence. What if I asked you to show me the dog is chased by the cat? What would that look like? The dog is chased by the cat.

ABBY: Well, you would have to turn kind of these and these around.

SPEAKER 1: OK. Well, just put them around just the way you think they should be. OK. So here we have the dog is chased by the cat. Thank you.
