**ID** *enter unique ID number for each participant*

Plagiarism occurs because:

| | | | | | |
|---|---|---|---|---|---|
| **reason1:** The student does not understand plagiarism (it was unintentional) | *Strongly Disagree=1* | *Disagree=2* | *Neutral=3* | *Agree=4* | *Strongly Agree=5* |
| **reason2:** Professor did not clearly explain the assignment | *Strongly Disagree=1* | *Disagree=2* | *Neutral=3* | *Agree=4* | *Strongly Agree=5* |
| **reason3:** Time pressure or stress | *Strongly Disagree=1* | *Disagree=2* | *Neutral=3* | *Agree=4* | *Strongly Agree=5* |
| **reason4:** Student is dishonest | *Strongly Disagree=1* | *Disagree=2* | *Neutral=3* | *Agree=4* | *Strongly Agree=5* |
| **reason5:** The professor doesn't mind | *Strongly Disagree=1* | *Disagree=2* | *Neutral=3* | *Agree=4* | *Strongly Agree=5* |
| **reason6:** The professor won't notice | *Strongly Disagree=1* | *Disagree=2* | *Neutral=3* | *Agree=4* | *Strongly Agree=5* |

| | *Never =0* | *Once or twice =1* | *Occasionally =2* | *Frequently =3* |
|---|---|---|---|---|
| **colegestudentfreq:** How often do you think college students engage in plagiarism? | *Never =0* | *Once or twice =1* | *Occasionally =2* | *Frequently =3* |
| **youfreq:** How often do (or did) you engage in plagiarism? | *Never =0* | *Once or twice =1* | *Occasionally =2* | *Frequently =3* |

What do you think is the appropriate response when a professor believes a student has engaged in plagiarism? (circle ALL that apply)
   a)  The professor should ignore it.   **responseA** *0 = not circled; 1 = circled*
   b)  The professor should talk to the student. **responseB** *0 = not circled; 1 = circled*
   c)  The professor should give the student the chance
                    to redo the assignment. **responseC** *0 = not circled; 1 = circled*
   d)  The professor should take off points on the assignment. **responseD** *0 = not circled; 1 = circled*
   e)  The student should get a zero on the assignment. **responseE** *0 = not circled; 1 = circled*
   f)  The student should get a zero in the class. **responseF** *0 = not circled; 1 = circled*
   g)  The professor should report the student to the dean. **responseG** *0 = not circled; 1 = circled*

Imagine the following scenario: A student turns in a paper. When the student receives it back from the professor, there is the following note from the professor: "I have reason to believe you have plagiarized.  Please see me."

  a)   How do you think the student feels?  Explain.
**studentangry** *0= participant's response gave no indication of anger; 1 = participant's response indicated anger*
**studentembar** *0= no indication of shame/embarrassment; 1=participant's response indicated shame or embarrasment*

  b)   How do you think the professor feels?  Explain.
**profangry** *0= participant's response gave no indication of anger; 1 = participant's response indicated anger*
**profsad** *0= no indication of sadness or disappointment; 1=participant's response indicated sadness or dissapointment*

**Age:** *enter #*   **Gender:** 1=male; 2= female; 3=transgender    **Ethnicity:** *1=white; 2= African American or black; 3=Hispanic/Latino/a; 4=Asian; 5= bi/multiracial; 6=other*

**status:** Are you currently enrolled as an undergraduate student? *No = 0; Yes = 1*

      <u>If yes,</u> how many semesters have you been in college? **ifyes:** *enter #*

      <u>If no,</u> what is the highest year of school or degree you completed? **ifno:** *0= did not complete h.s.; 1 = hs degree; 2=some college; 3= college degree; 4= currently in grad school; 5 = completed grad. degree*
