

## **CAMPBELL COUNTY HIGH SCHOOL COUNSELING PROGRAM MISSION STATEMENT**

The mission of the Campbell County High School Counseling Program is to lead all students to achieve college and/or career readiness standards. The comprehensive school counseling program collaborates with stakeholders to meet students' developmental needs as identified through needs assessments to deliver interventions using evidence-based program and evolves through data analysis and outcomes. Through the school counseling program, all students will be challenged to explore their passions, interests, and talents leading to increased engagement and continued growth. As a result, all students will be able to identify personal strengths that can be applied to achieve their academic, career, and personal/social goals.
