

Editing Class Info and Posting Class Messages

Edit an existing class

1. From the **Class Homepage**, click **Class Info**.

[Home](#) / [Calculus 202](#) / [Class Homepage](#)

- Class Details

2. Click **Edit**.

[Home](#) / [Calculus 202](#) / [Class Manager](#)

- Class Details

[Choose Instructor](#)

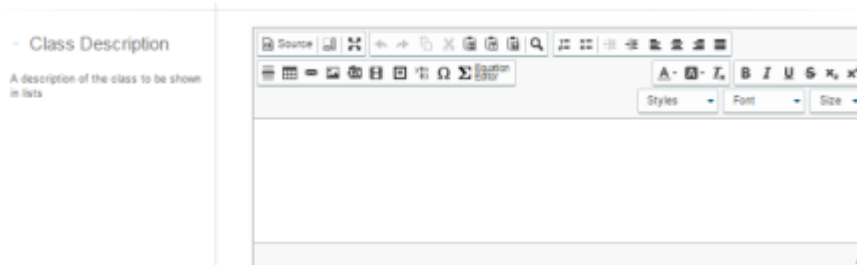

[Edit](#)

3. **Class Details** can be edited.
4. There are three fields viewable in the edit mode:

- **Description URL:** Enter a hyperlink to be displayed on the **Class Homepage**

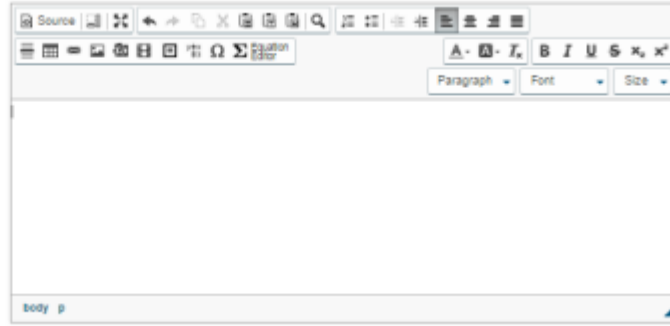

- **Class Description:** A brief description of the class, shown in lists.

- **Class Message:** A message to be displayed on the **Class Homepage**.

- Class Message

A message to be displayed on the class homepage

5. To save all changes, click **Submit**.
