

# SNAPSHOT OF AMERICA: WHAT DO WE THINK, BY AGE?

## Policy Preference Difference and Age

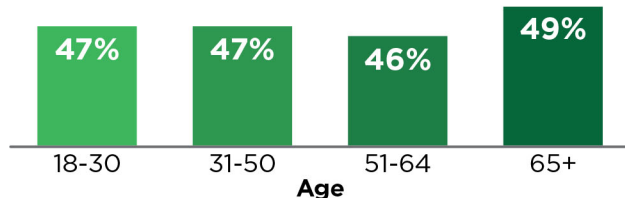

## On Some Policies, Age Does Not Matter Much

By law a woman should always be able to obtain an abortion.

Gun control laws should be more strict.

### BEHIND THE NUMBERS

As the graphs show, on a number of issues, younger people are more liberal than their elders. But on others, age groups split about the same. What is it about each of these issues, or different age groups' experiences, that might account for why age does or does not make a difference?
