

(Continued)

Look at the following list of social units below. Identify which level each group is most likely to belong to: (1) micro, (2) meso, or (3) macro. Why did you answer as you did? The previous definitions should help you make your decisions. Again, some are “on the line” because this is a continuum from micro to macro, and some units could legitimately be placed in more than one group. Which ones are especially “on the line”?
