Who Pays For Human Services

*The state and federal governments both provide benefits to Texas residents in need.
Who pays what share of the costs for these programs?*

Temporary Assistance for Needy Families

Eligible households receive monthly cash payments, through the electronic debit Lone Star Card.

Medicaid

Medical coverage for people with low income, and some elderly and disabled.

Source: Kaiser Family Foundation, Federal Medical Assistance Percentage for Medicaid and Multiplier, FY 2015, <http://kff.org/medicaid/state-indicator/federal-matching-rate-and-multiplier/>

Medicare

Senior citizens who have paid into the system for ten years or more receive health coverage.

Children's Health Insurance Program State Children's Health Insurance Program

Families making too much to qualify for Medicaid but not enough to afford private health insurance receive coverage through this joint federal-state program.

Supplemental Nutrition Action Plan

While the federal government pays for all benefits, Texas pays for 50 percent of administrative costs.
