

Predicting Where Crime Will Occur

If you have seen the film *Minority Report*, you have gotten a far-fetched glimpse of a world where people are arrested for criminal acts that they are predicted to do, not that they have actually done. FOX also has a television series premiere in the fall of 2015 called *Minority Report* that is based on the same premise. While crime predictions in these shows are based on clairvoyants (people who can see into the future) and not real data, law enforcement agencies are beginning to
