

**TABLE 15.11**

A Matrix Displaying the Results of the Study in Example 15.4

		Employment		Totals
		Unemployed 0	Employed 1	
Happiness	Unhappy 0	14	6	20
	Happy 1	6	14	20
	Totals	20	20	$N = 40$

For this analysis,  $N$  is the total number of participants observed.
