Scoring Interpretation

This questionnaire is designed to measure four factors related to establishing a constructive climate: providing structure, clarifying norms, building cohesiveness, and promoting standards of excellence. By comparing your scores, you can determine your strengths and weaknesses in establishing a constructive climate as a leader.

If your score is 20–25, you are in the high range.

If your score is 15–19, you are in the high moderate range.

If your score is 10–14, you are in the low moderate range.

If your score is 5–9, you are in the low range.
