

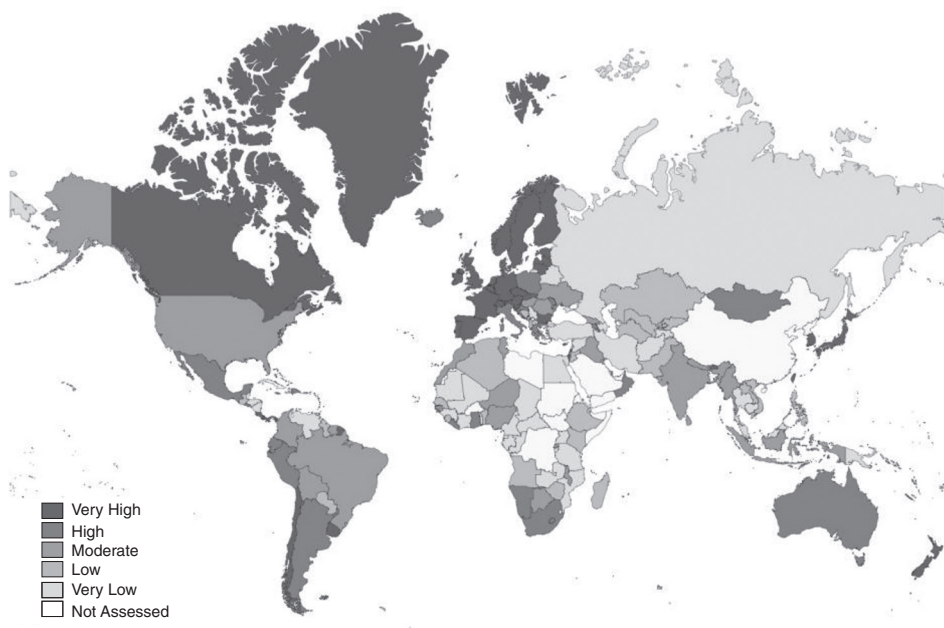

MAP 11.1 ■ Electoral Integrity Across the World in 2021

Source: Data come from the Perceptions of Electoral Integrity expert survey (PEI 8.0) and are based on the post-2015 national-level election that took place closest to 2021. Darker colors indicate higher levels of electoral integrity. Very Low = less than 40, Low = 40-49, Moderate = 50-59, High = 60-69, Very High = more than 70.
